Xerox® VersaLink® B600 Printer and Xerox® VersaLink® B605 Multifunction Printer

For a black-and-white printer or multifunction printer, the VersaLink B600/B605 is anything but basic. In fact, VersaLink sets a new standard for what you can expect in workgroup productivity from Xerox. Home or away, this highly configurable, cloud-connected workplace assistant delivers completely new capabilities that go far beyond the competition—at a competitive price.

EASY, SMART AND SECURE.

Right out of the box, you'll count on your VersaLink B600 or B605 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go—hassle free.

Completely re-engineered for superior reliability, the VersaLink B600 and B605 feature a new hardware design with fewer moving parts, strengthened paper-path components, and a more advanced Hi-Q LED print head.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview¹, and do more with scanned documents with built-in optical character recognition (OCR)¹.

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

CUSTOMIZABLE, APP-BASED FUNCTIONALITY.

With the customizable, capacitive 7-inch color touchscreen (5-inch on the B600), you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Preloaded Xerox® ConnectKey® Apps help optimize office efficiency, and on-screen access to the extensive Xerox App Gallery provides expanded functionality—like the

Xerox® Easy Translator Service app¹, which quickly translates scanned documents into numerous languages.

Speed through tasks by saving common settings as presets for simple, single-touch job setup. With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure, easy access to task-specific presets and commonly used apps on a personalized home screen.

CLOUD AND MOBILE CONNECTIVITY.

The VersaLink B600 Printer and VersaLink B605 Multifunction Printer gives you the freedom to work where and how you want—with out-of-the-box connectivity to Google Drive™, Microsoft® OneDrive® and DropBox™, and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet the industry's most advanced color touchscreen interface. Whether 7-inch (B605) or 5-inch (B600), it's a user experience that sets a higher standard for customization, personalization and versatility.

By presenting a familiar "mobile" experience—with support for gestural input and task-focused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink B600 Printer and VersaLink B605 Multifunction Printer get more work done, faster.
